YPOG advises everphone on the extension of Series C financing round

Berlin, September 01, 2022 – A YPOG team co-led by Benjamin Ullrich, Adrian Haase and Emma Peters provided comprehensive advice to smartphone-as-a-service provider everphone on the extension of its Series C financing round with a total volume of €32 million. Cadence Growth Capital (CGC) led the Series C extension round and continues to invest alongside existing investors such as Kevin Ryan in the leading B2B phone-as-service pioneer.

The recently released annual report of 2021 records the company's biggest success to date, with revenues totaling €19 million and a 170% increase over the previous year. The forecast for 2022 envisages another significant increase.

After the first round of the Series C in 2021 with over \$200 million in equity and debt capital, the management team of CEO Jan Dzulko and CFO Dr. Veronika von Heise-Rotenburg plans to use the proceeds of this funding round to drive internationalization. Additionally, the new capital will flow into product development and the growth of the device fleet.
